A WONDERFUL, FOUR BEDROOM SEMI-DETACHED, THREE STOREY PERIOD HOME IN A PRIME LOCATION! This is an exquisite example of this much-loved style of period home, beautifully blending character, space and high-quality modern upgrades. From the abundance of natural light to the stylishly re-fitted kitchen and bathrooms, and the thoughtfully landscaped rear garden, this is truly one of the finest homes of its kind we've seen. Perfectly positioned for everything the area has to offer, including highly sought-after local schools, a short stroll to Rowheath Park, and the excellent amenities of Bournville, Cotteridge and Stirchley. Commuters are also well served by nearby Kings Norton and Bournville train stations. This has been a wonderful family home for many years and is now ready for its next chapter. The accommodation briefly comprises: driveway, vestibule and welcoming hallway, stunning open-plan living room with bay window and log burning stove flowing into a spacious dining room with underfloor heating, an impressive extended breakfast kitchen with bay window, utility room, and a stylish re-fitted guest WC with shower. Outside is a wonderful zoned, landscaped rear garden with rear and side access. Upstairs, the first floor offers a generous main bedroom, two further well-proportioned bedrooms, and a contemporary re-fitted four piece bathroom, with a further staircase rising to a superb fourth bedroom on the top floor. You also have the benefit of solar panels with a feed in tariff meaning you earn as you save! To arrange your viewing, please contact our Bournville Sales Team – we anticipate strong interest!

Rear Garden

The rear garden has been thoughtfully landscaped to create a series of defined outdoor spaces, ideal for both relaxing and entertaining. An initial paved terrace, complete with pergola, provides an excellent seating and dining area, leading onto a well-maintained central lawn bordered by neatly planted beds. To the rear, a further garden zone has been designed with ease of maintenance in mind, featuring a stylish gravelled seating area with raised planters and a timber summerhouse, creating a private and tranquil setting. Additional features include mature trees, established planting, integrated water system and a useful storage shed, with the garden enjoying a good degree of privacy throughout. To the rear there is a garage being accessed from a service road which would make an excellent home office or any further use and being screened from the house.

SOLAR PANELS

The solar panels generate on average 2100 kWh per annum and that amounts to £600 per annum from the government Feed-In tariff scheme. Payments to the homeowner are per kWh generated and are index linked (so increase annually). Details available upon request.
