Welcome to The Old Hay Barn a stunning contemporary eco barn conversion set on more than five acres of gardens and pasture, where the serenity of open country meets modern architectural flair. Perched on the edge of the picturesque village of Brixworth, this property offers dramatic views across the Brampton Valley and an interior design that brings both elegance and innovation under one roof.

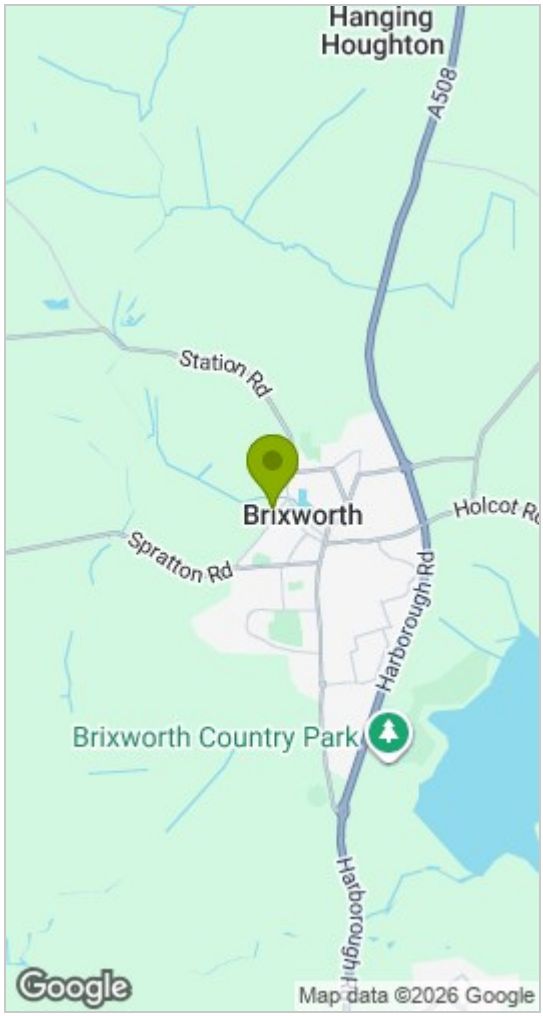

Inside, over 3,600 sq. ft. of intuitive, high-end living space awaits. The heart of the home is a striking open-plan kitchen/breakfast/living area, with vaulted ceilings, a glazed south-facing gable wall, polished concrete floors, and sliding doors that blur the line between indoor comfort and outdoor grandeur. Five beautifully appointed bedrooms include two suite-style retreats, perfect for guests or family, while premium fixtures and smart technologies ensure this home doesn't just look spectacular, but functions with ease and contemporary flair.

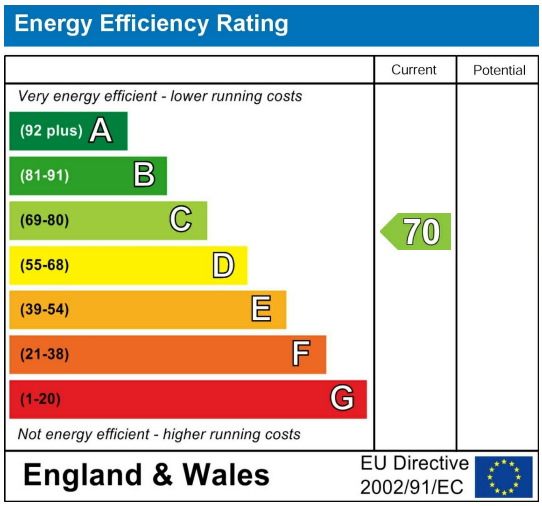

Outside, mature landscaping, paddocks, slate terrace areas, and a natural pond create a private, tranquil setting. A triple garage adds practical luxury, and there's room to roam, whether for gardening, animals, recreation, or simply enjoying sunsets across the valley.

If you seek a home that combines breathtaking rural beauty, cutting-edge design, and uncompromised comfort, The Old Hay Barn is a rare find.
