Asking Price £725,000

- Very modern house which is highly energy efficient
- Built to a modern design and build specification using high grade materials with lots of glass
- Garden room opens to decking at the rear of the property with views of the garden
- Spacious rooms throughout
- Double garage with access from the house
- Underfloor heating throughout the downstairs
- Viewing is highly recommended to fully appreciate this property

Set in the tranquil village of Barmby-on-the-Marsh, this splendid modern detached house offers an exceptional living experience. Built in 2010, the property boasts over 3,000 square feet of thoughtfully designed space, making it perfect for families or those who enjoy entertaining.

As you enter, you are greeted by three spacious reception rooms, each filled with natural light thanks to the extensive use of glass throughout the home. The open outlook beyond the substantial garden enhances the sense of space and serenity, providing a delightful backdrop for outdoor activities or simply enjoying the peaceful surroundings.

The property features five well proportioned bedrooms, ensuring ample accommodation for family and guests alike. With three modern bathrooms, including a convenient Jack and Jill option, morning routines are made easy and efficient.

In addition to its generous living space, this home is highly energy efficient, making it not only a comfortable place to live but also a sensible choice for those conscious of their environmental impact.

This wonderful property is a rare find in a charming village setting, offering a perfect blend of modern living and natural beauty. Whether you are looking for a family home or a peaceful retreat, this house on North Street is sure to impress.
