

Daimler Avenue, Chorley

Offers Over £199,995

Ben Rose Estate Agents are pleased to present to the market this beautifully presented three-bedroom mid mews home, located on the extremely popular and sought-after Eccleston Park development by Redrow Homes. Perfectly suited to a couple or family, the property is attractively decorated and presented to a very high standard throughout, with close proximity to excellent local amenities, including supermarkets and well-regarded schools. It is also within commuting distance of major North West towns and cities via the M6 and M61 motorways and is just a short drive from Chorley town centre.

Stepping into the property, you are welcomed into the entrance hallway, where you will find a convenient cloakroom storage along with the staircase to the upper level. On the left is the contemporary fitted kitchen, offering ample storage and fully integrated appliances, including a fridge, freezer, oven, hob, microwave, and dishwasher. A useful utility cupboard beneath the stairs provides additional storage and space for a freestanding washing machine.

Continuing through, you will enter the spacious lounge, which features sliding patio doors leading into the bright conservatory at the rear. A recent addition to the home, the conservatory provides versatile additional living space, ideal as a dining area, and benefits from underfloor heating, a remote-controlled roof blind, fly screen, and blackout blinds, creating a comfortable and energy-efficient environment with access to the rear garden. Completing the ground floor is a convenient WC, accessed from the main hallway.

Moving upstairs, you will find three well-proportioned bedrooms, with the master bedroom and bedroom three benefiting from integrated storage. The master bedroom also boasts a private three-piece ensuite shower room. Additional storage is available on the landing, and a modern three-piece family bathroom with an over-the-bath shower completes this level.

Externally, to the front is a driveway providing two allocated parking spaces. To the rear is a generously sized and well-maintained garden, featuring an artificial lawn and flagged patio, creating a perfect space for relaxing or entertaining.

Early viewing is highly recommended to avoid potential disappointment.
