This well-presented, brick-built three-bedroom property is ideally located in a central and highly accessible area of Scarborough. Its position offers access to a wide range of local amenities and attractions, including The Spa Conference Centre, Spa Lift (with direct access to South Bay and the beach), the Italian Gardens, clock tower, and a variety of shops, cafes, and popular eateries.

The property is of traditional brick construction, complemented externally with horizontal overlapping weatherboarding formed from a durable UPVC/fibre cement composite. The use of these low-maintenance materials ensures long-term resilience against weathering. The windows are modern UPVC double glazing throughout. The property also includes a detached garage with power and lighting, accessed via a gated, hard-standing driveway.

Internal accommodation is arranged over two floors. The ground floor opens into a generously proportioned open-plan kitchen/dining space. The kitchen features a modern fitted suite with integrated appliances, a breakfast bar, and sliding patio doors leading to a bricked terrace. There is also a ground floor utility that can be reinstated in to a WC if needed. The dining area, with carpeted flooring, leads into a spacious lounge benefiting from a feature gas fireplace, glazed French doors to the rear deck, and stairs to the first floor.

Upstairs, the property comprises two double bedrooms and a well-sized single bedroom. The first floor is served by a fully tiled, contemporary four-piece bathroom suite including bath, separate shower, WC, and wash basin.

The external space is attractively landscaped, offering a timber decked area for outdoor seating. The rear garden includes a lawn with mature planted borders and pathway leading to the garage and secure driveway.
