Denise White Estate Agents Comments

Believed to date back to the 1860s, this exceptional four double bedroom period home forms part of an impressive conversion of two beautifully crafted residences. Occupying a substantial plot with expansive gardens, two separate driveways, a detached garage, and former stables, this remarkable property seamlessly combines historic charm with bold, contemporary interiors.

Lovingly renovated by the current owners, the home has been thoughtfully designed to create striking and impactful living spaces throughout. A fabulous entrance hall welcomes you into the property, immediately setting the opulent tone that continues across each floor.

To the rear of the home, a stylish and contemporary breakfast kitchen has been beautifully appointed with a range of integrated appliances, a built-in breakfast bar, and a useful walk-in pantry, creating a practical yet sociable heart of the home. Positioned to the front is a generously proportioned living room, filled with character thanks to exposed beams, a feature fireplace, and large windows overlooking the impressive front gardens. This space flows effortlessly into a dining area with French doors opening onto the front patio, perfectly extending the living accommodation during the warmer months.

The first floor hosts three spacious double bedrooms. The rear bedroom benefits from a range of built-in wardrobes, while the two front-facing bedrooms enjoy attractive views over the gardens, one of which also features a stylish ensuite shower room. A family bathroom, complete with both a separate shower and bath, serves the remaining bedrooms.

Occupying the second floor are two further impressive double rooms. One is currently utilised as a cosy snug area but offers excellent potential to be incorporated into a luxurious principal suite, perhaps as a dressing room or additional private living space. The principal bedroom itself enjoys

windows to both the front and rear elevations, alongside a separate ensuite shower room.

Externally, the property occupies a generous and beautifully maintained plot with extensive lawned gardens to both the front and rear aspects. Patio seating areas to either side of the home provide ideal spaces for outdoor entertaining, while a decking area and charming playhouse enhance the rear garden. The detached garage, two stables, and tack room—all currently used for storage—benefit from power and lighting, offering excellent versatility. A second decking area positioned beside the large gravelled driveway provides yet another wonderful entertaining space.

Overall, this outstanding home is perfectly suited to buyers seeking an abundance of space, stunning grounds, and the timeless charm and character only a period property can provide.
