## ACCOMMODATION

The attractive red brick façade and welcoming entrance porch provide an immediate sense of character and charm. Upon entering, a well-proportioned study sits to the left of the hallway, an ideal space for home working or a quiet retreat. The property then opens into an impressive living and dining room that runs the full length of the house. Generously proportioned and filled with natural light, the space benefits from dual-aspect windows and glazed doors spanning the rear elevation, opening directly onto the garden and framing the countryside beyond.

At the far end, a light-filled conservatory provides a wonderful vantage point to appreciate the changing landscape throughout the seasons. Equipped with a split inverter air-conditioning system, the room can be comfortably enjoyed year-round, cool in summer and warm in winter. French doors from both the dining area and the conservatory create a seamless connection between house and garden, making the space ideal for entertaining during the warmer months.

The kitchen is accessed via a graceful archway that maintains the open, flowing feel of the ground floor while allowing each area to retain its own character. Beautifully designed and well-appointed, the kitchen combines elegant styling with everyday practicality. Integrated appliances include a dishwasher, fridge/freezer and washing machine, alongside a striking Rangemaster gas cooker that forms the centrepiece of the space. A further door provides convenient access to the garden.

Upstairs, three well-proportioned bedrooms provide comfortable accommodation. The principal bedroom at the front of the property benefits from a stylish en-suite shower room featuring a contemporary walk-in glass shower with rainfall head, illuminated mirror, modern vanity unit, heated towel rail and a calming neutral palette.

To the rear, one bedroom is currently arranged as a dressing room, while another enjoys access to a generous balcony. From here, uninterrupted views across open countryside provide a peaceful setting to enjoy morning coffee as the sun rises.

The family bathroom is a striking design statement, finished to an exceptional standard. A sculptural freestanding bath, contemporary basin and recessed illuminated shelving are complemented by elegant fittings and star-effect ceiling lighting. Integrated Bluetooth speakers within the mirror and a built-in television
