General Description

Smiths Property Experts offer to the market in the highly regarded Rushcliffe village of East Leake, this well-presented and spacious detached bungalow, which has benefited from considerable internal modernisation and upgrading in recent years.

The property occupies a pleasant and peaceful residential setting, a short walk from East Leake village centre and all its amenities, with a generous plot including a driveway, attached garage, and totally private spacious lawned rear gardens. Planning permission was also granted in 2021 for a rebuild of the garage as an impressive main bedroom suite.

The Property

The property boasts a gross floor area approaching 800 square feet, including the attached garage. The property sits elevated from the road, behind lawned front gardens and a private driveway that provides off-road parking for several vehicles. There is a side access to the right-hand side of the property, and to the rear are generous and totally private lawned gardens with a lovely outlook over green space. The gardens afford a north-westerly aspect and therefore benefit from the afternoon sun. Largely lawned, there is a seating patio to the immediate rear of the main house. There is also a secure timber shed.

Internally, the property is in excellent condition, having been recently renovated and remodelled. From the entrance hall, there are two double bedrooms to the front, a modern shower room, and a utility (which requires completion). To the rear is an impressive open-plan living space with a sitting room featuring a multi-fuel-burning stove and wall panelling, a fully fitted modern shaker-style kitchen, and a dining room with French doors leading out onto the patio terrace to the rear.

Planning Permission

Detailed planning permission was granted in 2021 for the demolition of the attached garage and a rebuild to extend the hallway and add a main bedroom with an en-suite shower room. We understand that the planning permission is held in perpetuity, as formal commencement of works has occurred. The full details can be found at Rushcliffe Borough Council planning department under application number 21/02633/FUL.

The Location

The village is home to a thriving community and boasts excellent local schools. There are numerous amenities available, including a bakery and a florist, as well as several coffee shops, pubs, and eateries. Beautiful countryside walks are easily accessible, and you can conveniently reach Loughborough and Nottingham by car or via a regular bus service.
