Offers over £300,000

Offered for sale with no forward chain, this unique eco-style two bedroom coach house is ideally positioned in the heart of Old Clanfield village centre and combines contemporary living with impressive energy efficiency. The property offers stylish open plan accommodation, centred around a luxury fitted kitchen with a range of integrated appliances, flowing seamlessly into a bright triple-aspect lounge and dining area that creates a light and airy living space ideal for modern lifestyles.

Upstairs, the first floor provides two well proportioned double bedrooms along with a modern shower room, all finished to complement the property's clean and contemporary design. Outside, there is a private, fully enclosed courtyard seating area, perfect for entertaining, with double gates opening through to a covered car port providing secure parking for two vehicles.

The home benefits from an innovative and highly efficient energy system, utilising a combination of LPG heating and ducted air conditioning, and is not connected to the mains electricity supply. Solar panels generate all of the property's electrical power, resulting in no electric bills and making this an exceptionally economical home to run.

A particular feature of the property is the separate timber studio, which offers flexible additional accommodation ideal for a home office, creative workspace or guest area. The studio benefits from heating and hot water powered by solar panel-driven air conditioning, a kitchenette, cloakroom facilities and a mezzanine loft space, adding to its versatility and appeal.

This distinctive home offers something truly different, blending eco-conscious living with a central village location close to local amenities, making it an ideal choice for buyers seeking a low-maintenance, energy-efficient property with character and flexibility.
