An impressive apartment set within this highly sought after development, Park Court in Sydenham.

Sandown House forms part of this iconic development built by Cannon and Gibberd who are well known for their advances in architectural designs. Offering superb lateral accommodation means they offer much more true living space, and were brilliantly built with double floors, to eliminate noise.

Located within a quieter part of the development, away from the main flow of foot traffic, the property enjoys a good degree of privacy and a particularly tranquil atmosphere. Occupying the top floor, the apartment consists of superb living space, which is wide and bright, large windows amplify the space and frame the beautifully maintained gardens, a dining area also provides the perfect space for hosting dinners and parties. There is an L shaped kitchen providing a streamlined and practical space where everything is within arm's reach, and a shower room finished in a neutral tiling. There are also two generous double bedrooms. Being enveloped by lush greenery ensures that all rooms benefit from lovely leafy views.

The property sits within easy reach of bars, restaurants and the excellent transport links that this part of South East London is known and loved for, including Penge East (London Victoria), Penge West (Overground) and Sydenham rail. Moments away is Crystal Palace Park offering 200 acres of open space, numerous leisure activities and music events. There is also a Brown & Green café and a weekly Sunday Farmers Market.
