Stepping through the front door, you're immediately welcomed by a bright and inviting entrance hall that sets the tone for the rest of the property. To your left, a dedicated home office provides the perfect space for remote working, studying or managing day-to-day life, while a convenient downstairs WC adds further practicality.

As you continue through the home, you'll discover a wonderfully spacious kitchen that is sure to become the hub of everyday living. Overlooking the rear garden, this well-equipped space offers an abundance of storage and generous worktop space, making everything from busy family breakfasts to entertaining friends a pleasure. Just beyond, the utility room provides valuable additional storage and direct access to the garden, helping to keep muddy boots, pets and outdoor adventures neatly contained.

The true heart of the home lies on the opposite side of the property. Here, a spacious living and dining room creates a welcoming environment where the family can come together, whether that's enjoying cosy evenings, hosting celebrations or simply unwinding after a busy day. Flowing seamlessly from this space is the delightful conservatory, a room flooded with natural light that beautifully connects the indoors with the garden beyond. It's the perfect spot to enjoy a morning coffee, lose yourself in a good book or watch the seasons change throughout the year.

Upstairs, the sense of space continues. The property offers three generous double bedrooms alongside a comfortable single bedroom, providing flexibility for growing families, guests or those seeking additional workspace. The principal bedroom enjoys the luxury of a modern en-suite shower room, creating a peaceful retreat at the end of the day, while the remaining bedrooms are served by a well-appointed family bathroom.

Outside, the property continues to impress. The rear garden has been thoughtfully designed to offer the best of both worlds, with a combination of lawn and seating areas creating space for children to play, summer barbecues with friends, or simply relaxing in the sunshine. To the side, ample off-road parking is complemented by an EV charging point, ensuring the home is ready for modern living. Adding even more versatility, the former garage has been converted into a contemporary office/snug, offering a fantastic additional space that could serve as a home workspace, hobby room, games room or cosy retreat.
