Haverstock Hill Belsize Park NW3

Situated on the upper floors of this attractive Victorian property set back from the road, a bright and immaculately presented three double bedroom family home, comprising spacious open-plan accommodation spread across 1,500 sq ft of internal space.

Having been fully renovated recently and interior designed, the quality of finish on offer here is of the highest standard throughout. The kitchen is fully integrated and thoughtfully designed, including new Bosch appliances, a very large induction cooktop and ample storage.

The master suite benefits from a walk in wardrobe, en suite bathroom and private balcony with lovely views. Two further double bedrooms are well sized and there are two additional bathrooms, one serving each floor.

The property is ideally located between Hampstead Heath and Primrose hill just moments from Belsize Park underground (Northern Line), and the popular bars, boutiques and restaurants that both Haverstock Hill & England's Lane have to offer. Additionally the property is a short walk from a tennis club and children's playground.
