Tenancy Type

Offered initially on an Assured Shorthold Tenancy with rent payable monthly in advance. The tenancy will transition to the new tenancy structure introduced under the Renters Rights Act in line with legislation when implemented.

Referencing Criteria

To meet the referencing criteria for a tenancy, the applicant/s would have to evidence a total annual income of at least 2.5x the annual rent.

By way of an example if the monthly rent is £1,850, the applicant/s must be able to prove an annual household income of at least £55,500

Renters Rights Act

The Government has now confirmed the implementation date for 'phase one' of the Renters Rights Act.

The first phase of reforms will come into effect on 1st May 2026. From this date, all existing assured shorthold tenancies will automatically transition to the new tenancy system, and all new private tenancies will be created under the updated rules.

Phase one focuses specifically on tenancy reform, including:

- The move to assured periodic tenancies
- Limits on rent in advance
- A ban on rental bidding
- Clearer regulations for rent increases via Section 13 notices
- Strengthened anti-discrimination protections
- New rights relating to pets in rented homes
