Accommodation

The property is approached via a private driveway providing off road parking for three to four vehicles, along with access to the garage.

Upon entering, the entrance hall provides useful understairs storage and access to a ground floor WC comprising a low level WC, wash hand basin and frosted double glazed window.

The kitchen/dining room is fitted with a range of white wall and base units, incorporating a stainless steel sink, with space for an electric oven, dishwasher and washing machine. There is ample space for a dining table and chairs, making this a practical and sociable area.

The bathroom has been fitted with a modern suite comprising a walk in shower, wash hand basin and WC set within a vanity unit, complemented by fully tiled walls and a heated towel rail.

Externally, the west facing rear garden is mainly paved for ease of maintenance and benefits from side access, a shed and direct access to the garage.
