St John's House – Move in ready!

We are thrilled to present this beautiful ground-floor, two bedroom apartment in the heart of Central Southsea, complete with secure, gated parking.

Thoughtfully restored, the property was once part of the historic St John's College, seamlessly blending period charm with modern luxury. Located within the exclusive St John's Square development, St Johns House Villa occupies a quiet area, nestled alongside beautifully landscaped gardens, and comprises just four newly converted apartments, each finished to an exceptional standard.

Benefitting from its own private entrance, this

two-bedroom apartment offers excellent space throughout. The entrance opens into a hallway with good storage, providing access to two well-proportioned bedrooms, a stylish fitted bathroom with a rainfall shower over the bath, and a bright, open-plan lounge, kitchen, and dining area. The kitchen is fully fitted with integrated white goods and finished with Caesarstone worktops, creating an ideal setting for modern living.
