# Bridge Cottage Haughton Village, Shifnal, TF11 8HR

Bridge Cottage has been in the family for approximately 100 years and is a rare opportunity to buy a property for improvement in a prime location. It would benefit from a scheme of refurbishment giving buyers the opportunity to make it their own. And there is ample scope to extend (STPP) and a total plot size of almost half an acre in total.

## LOCATION

Haughton has long since been considered to be one of the most sought after addresses within Shifnal which is an affluent Shropshire village which provides a full complement of local facilities which are ideal for everyday needs.

Communications are excellent with Shifnal Station providing direct services to Shrewsbury, Birmingham and beyond and the M54 (J4) being within a few minutes drive facilitating fast access to the entire motorway network. Furthermore, the area is well served by schooling in both sectors.

## DESCRIPTION

Bridge Cottage is well screened from the road with parking and a garage at the rear. The property has been owned by the same family for approximately 100 years and in that time beautiful gardens have been planted. The cottage itself would now benefit from a comprehensive scheme of refurbishment and could be extended subject to gaining all of the usual and necessary consents and permissions.
