No chain.

£325,000

Tel: 01925 600 200

## Location

Woolston is a settlement in the Borough of Warrington in the county of Cheshire. Formerly a township within the parish of Warrington, Woolston-with-Martinscroft consists of two settlements: Woolston to the west and Martinscroft to the east, which run along the north bank of the River Mersey and take in Paddington to the south-west. It is bounded by the River Mersey to the south, Bruche and Padgate to the west, Longbarn and Birchwood to the north and Rixton to the east.

The postcode is within the Rixton and Woolston ward/electoral division, which is in the constituency of Warrington North. Monmouth Close is a recognised location with both 'Woolston Weir' and the 'New Cut Trail' being areas of natural beauty and close at hand.

Education is provided by Woolston Church of England Primary School, St. Peters' Catholic Primary School and Woolston Community Primary School.

St. Peter's Catholic Primary School is in connection with one of many local Roman Catholic churches in the adjacent Martinscroft area, the highly rated St Peters & St Michaels Church. Despite the school being one of the newer schools in the area, they still boast the best results from both Keystage 1 and Keystage 2 in the Woolston area. King's Leadership Academy Warrington (Warrington's first Free School) opened its doors to its first year 7 in 2012.

| Energy Efficiency Rating                    |  | Current                 | Potential |
|---------------------------------------------|--|-------------------------|-----------|
| Very energy efficient - lower running costs |  |                         |           |
| (92 plus) A                                 |  |                         |           |
| (81-91) B                                   |  |                         |           |
| (69-80) C                                   |  |                         |           |
| (55-68) D                                   |  |                         |           |
| (39-54) E                                   |  |                         |           |
