An elegant semi-detached family home offering a carefully considered layout and refined modern interiors throughout. At the heart of the house is an impressive design-led kitchen diner, where a lofty pitched roof extension floods the space with natural light. A generous central island makes this a natural setting for everyday living and entertaining. The living room is positioned separately at the front of the house, while a ground floor office, utility room and cloakroom add both comfort and practicality. Arranged over two floors upstairs are four well proportioned double bedrooms, complemented by two contemporary bathrooms. The principal bedroom occupies the top floor and provides a peaceful retreat with built-in storage and an ensuite shower room. Externally, the property provides parking for two cars at the front, along with side access leading to a long, sunny garden with a large summer house. Set on a sought after street within The Groves, the property enjoys a convenient location close to New Malden station, high street and a selection of excellent schools.
