Ref: MK0967. A centrally located semi detached family home which has been extended to the rear. The attic space has been converted into two useful rooms which would be ideal for home working. To the rear is an outside wc/store, parking for several vehicles and a detached large garage/workshop. The accommodation comprises entrance porch, lounge with woodburner, dining room, modern kitchen, utility room, three bedrooms, large bathroom and the two attic rooms on the second floor. The property has been modernised throughout and benefits from double glazing and gas central heating.

Agar Road is ideally located for easy access to nearby supermarkets, shops and schools. Both Redruth and Camborne are a short drive away and regular bus services run past the front door.

The property is deceptively spacious from the outside and is offered for sale with no onward chain.
