Externally, the property continues to impress. Occupying a beautifully landscaped corner plot, the gardens have been thoughtfully designed to provide colour and interest throughout the year, with a wide variety of evergreen planting ensuring the grounds remain attractive in every season. Two generous patio areas and a raised deck create excellent spaces for outdoor entertaining, with the principal patio

specifically designed to accommodate a future glass sunroom if desired. A charming ornamental koi pond adds a peaceful focal point to the rear garden.

To the front, the recently extended mono-block driveway provides exceptional off-street parking for up to eight vehicles—ideal for larger families or those who regularly entertain. Practicality is further enhanced by extensive boarded loft storage with integrated ladder access, while a comprehensive Ring security system, including alarm sensors and external cameras, will remain with the property (subscription services may apply).
