DC Lane are proud to introduce to the market this splendid mid terraced period family home, ideally positioned in the popular area of Mount Gould. Rich in original features, the property offers generous and versatile accommodation arranged over three storeys, all complemented by the most spectacular sea views across Plymouth Sound and beyond.

Perfectly suited to modern family living and entertaining, the accommodation comprises an entrance porch leading into a welcoming hallway, which in turn opens to two elegant reception rooms featuring attractive stripped flooring. These flow through to a modern kitchen with ample units, a central peninsular and direct access to the rear garden. A utility room and ground floor WC complete the ground floor layout.

On the first floor a spacious landing provides access to two generous double bedrooms along with two modern family bathrooms. The second floor is home to an exceptional bedroom boasting breathtaking panoramic views over Plymouth Sound, stretching as far as the Rame Head Peninsula. Flooded with natural light from dual aspects, this truly is a "room with a view". The property previously benefitted from a terrace accessed from this room, which could be reinstated, as seen in neighbouring homes.

Externally, the property also offers a substantial basement cellar, accessed externally and potentially internally via a concealed doorway, providing extensive storage and spanning the full length of the house. The rear garden extends to approximately 90ft and features mature shrubbery, lawned and decked areas, an ideal space for relaxing or entertaining. Neighbouring properties have further enhanced similar gardens with summer houses or home offices, highlighting the potential on offer.

This attractive family home enjoys a convenient location with easy access to the A38, City Centre and a wide range of local amenities. With natural light flooding throughout and those enviable sea views a viewing is highly recommended.
