The Property

The property is entered via a solid oak front door leading into a tiled entrance porch with floor to ceiling glass panels either side leading through to the dining hall with underfloor heating, downlighting, window to front and solid wood flooring. From here, there are double doors leading through to the spacious double aspect sitting room with feature stone fireplace housing a multi-fuel stove, window to front and double doors leading out onto the rear garden. To the rear of the dining hall a door leads through to the modern fitted kitchen with matching wall and base mounted units, granite worktops and built in appliances. The kitchen enjoys a triple aspect view of the garden and along with the ceiling lantern, there is plenty of available light. Double doors lead out onto the rear patio and seating area. To the side of the kitchen, there is a separate utility room, airing cupboard and ground floor cloakroom. From here, a passage way leads through to an area that can be used as part of the main property or as a separate living accommodation. This area has a fully fitted kitchen, sitting room, double bedroom and en-suite bathroom. To the first floor there are five good sized bedrooms with en-suite facilities to bedrooms one and two, built in storage and wardrobes to bedrooms one, two, three and four, with bedroom five currently used as a study/home office. The principal bedroom also benefits from a private balcony with views over rear garden and adjoining fields. A well appointed family bathroom with tiled walls and floors, stand alone roll top bath, separate shower cubicle, low level WC, wash hand basin with vanity unit under and heated towel rail completes the first floor accommodation.

Outside

Set in a quiet semi-rural location, the property sits within a plot measuring just over half an acre with gates leading onto a generous gravelled drive and parking area with large lawn immediately to the left and a detached double carport with studio flat above and ground floor kitchen below, ideal for ancillary accommodation. To the side of the main house there is a further carport leading through to the well insulated large rear detached workshop, which could be used for a myriad of purposes, currently set up as a home gymnasium and workshop. There is a further insulated detached purpose built workshop with light and power to the far side of the gardens. The garaging and workshop would be ideal for car enthusiasts. The rear garden has been carefully thought out with large paved seating area designed to take in the views of adjoining open fields. There is a large raised nature pond packed with plants to support wildlife, insects and abundant wild bird population. To the left of the paved seating area there is an outdoor kitchen and BBQ area, ideal for al fresco dining. There is also further lawned area to the right and large fruit cage along with various other outbuildings including wood stores, garden storage sheds and greenhouse.
