SITUATION

Both lots are situated on the eastern edge of Lostwithiel about a mile from the centre of the town. Popular Lostwithiel is a thriving community with shops, public houses, restaurants, hotel, primary school, number of antique shops, surgery and railway station on the London Paddington line.

THE HOUSE

Believed to date from around the 1890s, Woodville is a fine period house of Victorian origin with high ceilings. A part opaque and stained glass front door with headlight over opens to an Entrance Hall with stairs off to the first floor and understairs cupboard, door to the rear and low level door to the Dining Area.

Off the hall is a Kitchen and Dining Room with double aspect. The Kitchen offers a matching range of Shaker style base and eye level units with granite worktops with splashback tiling and includes a deep stainless steel double sink unit with mixer tap, electric cooker range with extractor hood over, space for freestanding American style fridge freezer, integral dishwasher, wine rack and overhang forming breakfast bar. From the Kitchen, a part glazed wide door leads to a rear Hall with doors to the outside, Cloakroom and a spacious Utility Room with range of base level cupboards and drawers with rolled worktop surfaces to splashback, stainless steel single drainer sink unit with mixer tap and space and plumbing for washing machine.

Also on the first floor is a well-proportioned Living Room with stone fireplace housing a wood burner set on slate hearth and with timber surround and mantle and an adjacent Family Room/2nd Reception Room.

On the first floor around a balustrade landing are a main Bedroom with En Suite Shower Rooms with walk-in shower with rainshower, wc and modern vanity washbasin and chrome heated towel radiator; 3 other bedrooms, two with built-in wardrobes; and; a Family Bathroom with panelled bath with splashback and mixer tap shower fitment, walk-in quadrant shower with electric shower, wc, contemporary vanity washbasin, mirror fronted bathroom cabinet and chrome wall mounted towel radiator.

THE GARDENS

These lie mainly to the side and rear of the house and include areas of lawn together with numerous shrubs and plants as well as deciduous and coniferous trees, a Cobnut, Mulberry, Crab Apple, Ornamental Apple, Cherry, Hogs Snout, Walnut and Damson.

THE BUILDINGS AND LAND

Accessed from the rear of the garden is a useful General Purpose/Store Building of 4 bays which is mainly open fronted – 1 bay enclosed. Adjacent is a Garden Shed adapted as dog kennel with outside cages, all on a concrete plinth. Adjoining is a good pasture field with mature boundaries. In total, Woodville extends to about 1.49 acres
