Weleirs presents a rare opportunity to acquire a stunning detached 17th-century Grade ll listed property, set within the High Weald Area of Outstanding Natural Beauty and enjoying unrivalled countryside views.

The property offers approximately 3,084 sq ft of accommodation along with a swimming pool and tennis Court. With its attractive exterior of white weatherboarding and part thatched roof (completely re-thatched in 2024). Weleirs sits proudly within its sizeable plot of approximately 1.25 acres and is surrounded by rolling fields and some quite remarkable undisturbed views.

The house is entered by an inner porch with a downstairs cloakroom. The kitchen/dining/family room is the heart of the home with breathtaking views, AGA stove, exposed beams along with Tumbled Limestone flooring and solid engineered oak flooring all adding to the characterful, country home feel.

Beyond the kitchen is a useful utility room with space for a washing machine and dryer along with additional storage, underfloor heating, sink and garden access. There are two reception rooms to the ground floor. The snug is a cosy space with exposed brick flooring and beautiful, exposed brick feature fire. Full of character, the living room is a charming room with its centre piece inglenook fireplace, exposed beams and ornate triple aspect windows. It has solid engineered oak flooring with underfloor heating and plenty of room for large sofas and sitting room furniture.

At the front of the house, the original entrance hall has been created into a light and airy study area. The original entrance door remains, allowing it to easily be used as the main entrance if desired. On the first floor are three of the five bedrooms and the family bathroom.

The principal bedroom enjoys panoramic, elevated views of rolling countryside from its dual aspect feature and offers plenty of fitted wardrobes. The en-suite has a deep walk-in shower with rain head, stylish flooring, underfloor heating, WC, twin sinks and chrome heated towel rail.

The further two bedrooms are both doubles in size and enjoy characterful features to include exposed beams and fireplaces. Completing the first floor is the family bathroom with a bath and shower above, stylish tiled walls, WC, wash basin, chrome heated towel rail and underfloor heating. From the first floor landing, two separate staircases take you to each of the further bedrooms. Both are double rooms and both have fitted storage along with stunning countryside views.

Outside, the gardens offer large lawn areas with various seating areas enjoying the stunning backdrop. Sitting in an elevated position, the swimming pool has a surrounding terrace along with a pool/plant room that offers useful storage. The pool area like the majority of the garden has a stunning backdrop of open countryside. At the rear of the garden beyond the main lawn is where you find the tennis court. The front gardens offer further lawn areas with manicured hedging and established plants and shrubs. A pedestrian gate from the lane sits central to the house from which a footpath with pergola leads you to the original entrance door. A path to the side of the house takes you to the driveway with ample parking and detached garaging with power.
