### Situation

Corner House is set on the edge of the small rural village of Rose Ash which has an active community with a Church and regular social events in the village hall. The nearest amenities are available in the next village of Bishops Nympton (3 miles) which has a village hall, shop/post office and primary school. The local market town of South Molton is only six miles and offers an excellent range of everyday services including good shopping and social facilities, schooling to secondary level and weekly stock and award winning pannier markets.

The A361 (North Devon Link Road) provides excellent access to the regional centre of Barnstaple to the west and to Tiverton and the M5 motorway (Junction 27) to the east where there is a main line railway station at Tiverton Parkway on the London Paddington line. Both Exmoor and Dartmoor National Parks, as well as the renowned north Devon coastline are within easy reach by car.

### Description
