WHY SHOULD YOU LIVE HERE?

What our vendor says about their property:

"I have lived very happily in this house for almost 12 years since I had it built by an excellent local builder. It was designed for modern day family living with all rooms being a good size. Situated on a quiet road with Wakefield centre being under a 10 minute drive and around a 30 minute walk. It is also close to Horbury and Ossett and very convenient for the M1 and M62. The house is always bright with the sun rising at the front and setting at the back. In the summer the sun is in the rear garden from late morning into the evening."
