The Property

With glorious views over paddocks and countryside to the rear is this very well-presented four bedroom, four-bathroom modern family home with extensive driveway parking and a large garage.

Located in the highly regarded village of East Hagbourne, this well laid out family home comprises accommodation of entrance porch, large entrance hall with tiled floor, fully tiled wet room, study/fifth bedroom, substantial main lounge with bay window, statement kitchen/diner with granite work surfaces and integrated appliances, boot room and utility room with integral access to the garage.

On the first floor, a good size landing gives access to a modern bathroom and four very generous bedrooms; both the guest bedroom and master bedroom offer stylish en-suite shower rooms and fitted wardrobes.

To the front of the property there is an extensive driveway, which offers ample parking leading to a larger than average integral garage with light and power. Finally, to the rear there is a very good size south-west facing garden with terrace and hot tub, which immediately backs on to paddocks and offers exceptional views. In our opinion, the integral garage could be adapted to create further accommodation and a new garage erected to the side (subject to formal planning permission).

For the size, garden, and rear aspect to be fully appreciated; the house must be viewed.
