Occupying an enviable position, at the end of a sought after cul-de-sac in the ever-popular location of Weavering, is this attractive three bedroom, two bathroom semi-detached family home. To the front there is an attractive block paved driveway offering parking for up to two vehicles, adding to the considerable kerb appeal.

The entrance hall provides access to the ground floor accommodation. The kitchen is a good size and well presented with plenty of work-surface and cupboard space. The open-plan living/dining room is spacious and light, with windows to the front of the property and patio doors leading from the dining area into the garden.

Upstairs we find two well sized double bedrooms with the third being a generous single. The first bedroom benefits from modern en-suite shower room to the first bedroom and the family bathroom is contemporary and well appointed.

The lovely private garden is well established and provides a beautiful space for relaxing and entertaining with a dedicated deck sitting area perfect for al-fresco dining and a pergola in the rear corner, ideal for respite from the sun. There is parking for two cars on the driveway and space for a third vehicle in the garage, which could also be used as additional storage if preferred.
