INTRODUCTION

This simply outstanding, extended semi-detached property delivers near 2,000 sq. ft. of generously proportioned family accommodation. Designed for maximum functionality, the home's highlight is the breathtaking 33ft open-plan kitchen/living/dining space with seamless flow via double doors to the exterior terrace.

The ground floor further includes a sitting room, a spacious day room featuring an attractive bay, a utility room, and a cloaks/W.C. Four bedrooms on the first floor are supported by the family bathroom. Comfort is ensured throughout with gas central heating and uPVC double glazing.

Occupying a large plot, the exterior offers excellent front parking, a single garage, and a beautiful rear garden defined by the wrap-around terrace, a gravelled seating area, and extensive private lawns.

In our opinion, there is the opportunity to extend the property in due course potentially over the garage and to the rear, subject to appropriate planning being obtained.
