Seller's Notes

Property is away from main atrium and main entrance. Lower footfall past front door and bedroom so therefore a lot quieter. No other flats overlook the main window. So well

insulated so they rarely have to put heating on. As the property is on the first floor it is away from people being able to look directly into the property. On the other side of the bedroom is a utilities cupboard so no noise from neighbour in that room. Generally quiet overall so don't experience any noise from neighbours.
