Description

Knowle Orchard is a home perfectly suited to those seeking a slower pace of life without sacrificing convenience. Whether entertaining friends on the sun-drenched terrace, tending the established gardens, or simply enjoying the panoramic countryside views, this is a property that offers a true rural retreat in one of North Somerset's most desirable village settings.

The Approach

The property is situated at the end of Jews Lane, which is a private lane accessible from Bath Road immediately on your right as you pass through Churchill traffic lights in the direction of Blagdon.

Jews Lane is a single track lane that winds it's way peacefully through the countryside, servicing a small handful of exceptional rural homes. At the end of the lane you will pass through a gate which notably serves two semi-detached homes. The left hand property is Knowle Orchard. The garage and parking area that you first see on your left hand side belongs to Knowle Orchard. You are welcome to park in front of the garage for viewings. Please note that due to the secluded nature and position of this property, all visits are strictly by appointment only.
