## 2 Syddall Avenue Heald Green SK8 3AB

Offers Over £550,000

This attractive extended detached residence is presented to an excellent standard throughout. It provides accommodation which will suit family purchasers in particular, which comprises: A wide entrance hallway leads through to a dining room with bay window to the front and double internal doors into a well-proportioned lounge with inglenook and feature fireplace, with a door leading to the rear garden. There is a fitted kitchen and a downstairs WC.

To the first floor is a split landing: To the left are two good double bedrooms, a single bedroom and a stylish family bathroom with white suite, including a freestanding bath and a large shower enclosure. The extension provides a further large bedroom which is served by an en-suite shower room/WC.

The property occupies a generous garden plot: To the front is a driveway which provides off road parking space, with retractable security posts. A garage door leads to a large covered car-port which would suit conversion into additional living space if desired: Indeed, planning permission has been granted for this, with a further single storey extension to the rear: Please see Stockport Council's Planning Portal, reference: DC/089440.

The rear garden enjoys a pleasant aspect and a good degree of privacy. There are paved seating areas, a large central lawn and well-stocked planted borders. A large timber shed/summerhouse stands towards the end of the garden.

The house forms part of a sought-after residential area, with excellent transport links, popular schools and plentiful amenities. This is an impressive home which warrants an early internal inspection in order to avoid disappointment.
