SOLD BEFORE MARKETING!

PRICES FROM £170,000. Brand New 1 & 2 bed Luxury Apartments! Dating back to the late 1930's as Birch Bros Bus Depot, and more recently residence to Home Suite Home, this beautiful Art Deco style building is now the newest and arguably most exciting development in the town for years.

The award winning developer, OEH Group, have not only built these properties to a standard rarely seen in new homes today many with balconies and allocated parking, they are also offering attractive incentives to make home ownership even more accessible than ever with a 5% gifted deposit contribution and conveyancing fees paid! Not only that, built with efficiency in mind, the gas-fuelled underfloor heating throughout the entire properties are powered by advanced heat-recovery boilers and complimented by energy saving LED lighting resulting in a lower cost running home.

The quality and finish in each property is evident throughout even down to the smallest details such as the premium Varilight sockets and knurled brass ironmongery. The Bespoke kitchens boast solid rustic oak worktops, integrated appliances, soft close doors, Rangemaster ceramic undermount sink and integrated waste system. Luxury bathrooms come fully wall and floor tiled with porcelain tiles, PIR sensor lighting and illuminated mirrors with demister pads and saver sockets.

For people looking to commute to work the nearby A6 and A45 provide access to Bedford or Wellingborough Train Stations respectively where direct trains can get you into London St Pancras within a 50 minute journey.
