Spencer Brook has been carefully extended and beautifully enhanced. The property offers well-proportioned and versatile accommodation finished to a high standard, complete with a large double garage and electric gated approach.

The driveway also allows for multiple cars. In addition, the ground floor offers a bright dual-aspect living room with a gas fireplace and bi-fold doors opens onto a south-facing patio. The bay-fronted dining room leads to a handmade “Charles Yorke” kitchen with Miele appliances and a utility area. Beyond the kitchen, a timber-framed orangery with floor-to-ceiling glazing, a roof lantern, and underfloor heating offers a light-filled space with French doors to the garden. This floor also includes a generous double bedroom with bay windows, built-in storage, and a high-spec en-suite shower room and downstairs WC.

To the first floor, the principal bedroom boasts a stylish en-suite and a south-facing balcony with garden views. Two further double bedrooms offer built-in storage, with one previously used as a home office. A landing shower room completes the first-floor accommodation.

The gardens at Spencer Brook are a standout feature, rising gently from a charming bridge over the brook to the upper boundary wall. Winding paths and steps lead through manicured lawns, mature trees, vibrant planting and thoughtfully placed sculptures.

The summer house offers a peaceful retreat, while the Nordic BBQ hut provides a unique space for year-round entertaining. Bi-fold doors from the living room and garden room open onto the south-facing patio, creating a seamless indoor-outdoor connection. There is also a detached oak framed workshop. Located just a short walk from the centre of Prestbury Village with its fine bars, restaurants and the local train station provides regular services to Macclesfield and direct trains to London Euston.

The property is offered for sale with No onward chain.
