The current owner says:

This property has been delivered with no expense spared, and the developer has really thought and understood the requirements of the end user, and delivered a quality home to suit those needs. It needs to be viewed to be appreciated.

A new development of 8 boutique apartments in the heart of Acton. Fronting a leafy tree-lined road in the London Borough of Ealing, Creswick Residences combines the best of contemporary British architecture with highly functional interiors. Perfect choice for those who want to enjoy London's more traditional character but with high quality design of brand new construction, by a leading local developer.

This bespoke two bedroom top floor apartment set over 656 sq ft with a private west facing balcony/ terrace with incredible 3m high ceilings. The property also benefits from use of a large shared communal area and a share in the freehold.

Constructed with a high specification, and use of quality materials expertly crafted with the utmost care and consideration to detail makes each apartment distinctive and exclusive. Spatial awareness is one of the key elements of our design ensuring well flowing and zoned areas in all apartments.

General Features includes wide-plank white washed oak floors throughout, aluminum windows and doors, underfloor heating, high ceilings and excellent acoustic insulation are features throughout. There are bespoke joinery TV and dining areas, built in wardrobes and vanity units delivered to a high standard.

Kitchens are Italian bespoke crafted joinery, with Quartz worktops, full height splash backs and elegant recessed spotlights, Smeg appliances, ceramic hobs and Lusso taps.

What's better:

This contemporary development has been finished with a stunning colour palette that feels inviting and homely with lots of modern features for a buyers enjoyment. We particularly like the high celings, underfloor heating and bespoke joinery that make these inviting homes.
