What Our Vendors Love

"We bought this house in May 2014 as a young couple, and over the past twelve years our family life has beautifully unfolded within these walls. This has been our happy home through getting married and welcoming our two wonderful children—a boy and a girl. We have poured our hearts into every corner of this property, styling and renovating it to create a warm, welcoming, and truly family-oriented home. One of the things we have valued most is the fantastic sense of space throughout. Unlike many properties on the UK market where secondary bedrooms can be very small, this house offers generously sized, proper double bedrooms. It has given both us and our children plenty of space to grow, play, and have our own comfortable sanctuaries. The kitchen and the bright living room have been the vibrant heart of our daily life, ensuring that every guest who walked through the door instantly felt at home. Summers here have also been magical—we spent countless sunny days relaxing in the cosy back garden, as well as making use of the additional pleasant space at the front of the house. The location on Wallington Way has been absolutely perfect for us. The neighbourhood is incredibly quiet, safe, and family-friendly, and we have been blessed with the most wonderful, supportive neighbours you could ever wish for. While it is incredibly hard to leave this house behind, we are proud to hand over a home that is filled with warmth and ready for the next owners to start their own happy chapter here."
