The property is ideally located just moments from the High Street and within easy walking distance of the mainline railway station.

Approached through a wrought-iron gate, a pathway leads to the front door, opening into a spacious and inviting sitting room. This elegant space features a sash window to the front and a characterful cast iron fireplace with decorative surround. An internal panelled door leads to the inner hall, where stairs rise to the first-floor landing. From here, a further door opens into the dining room, which is another delightful reception space, complete with an exposed brick chimney breast and a large understairs storage cupboard fitted with shelving.

The kitchen has been tastefully updated with a range of painted wall and base units, complemented by a butler sink and attractive terracotta tiled flooring. From here, there is direct access to the rear garden, and a door from the kitchen leads to a modern ground floor cloakroom, fitted with a WC, wash hand basin and shower.

Upstairs, the first-floor landing provides access to two well-proportioned double bedrooms, both retaining period charm. The principal bedroom benefits from an original fireplace surround. The spacious family bathroom is well appointed with a white suite comprising a tiled bath and separate shower cubicle, while a Velux window floods the room with natural light.

Externally, the property enjoys a delightful walled rear garden, offering a peaceful and private space in which to relax. A timber shed is positioned to the rear, and there is the added benefit of a useful rear access gate.

Offered in excellent order throughout, this characterful home is ready to move into and enjoy. Early viewing is highly recommended — please contact us to arrange your appointment.
