Occupying a generous plot in a highly sought-after position on the southern fringes of Kendal, 88A Milnthorpe Road is a spacious detached three-bedroom bungalow offering exceptional potential. The property has been well maintained since its original construction and provides substantial, well-balanced accommodation, with clear scope for modernisation, reconfiguration or extension (subject to the necessary consents). Perfectly suited to a wide range of buyers, it combines space, flexibility and long-term opportunity in a highly convenient setting, just a stone's throw from well regarded local schools, Kendal College, supermarkets and the town centre; as well as excellent transport links via the M6, Oxenholme station and routes into the Lake District.

Set back from the road, a private driveway leads up to the property, creating a sense of seclusion on arrival. The driveway is owned by 88A, with a neighbouring property benefiting from a right of access across the lower section only.

A front porch opens into a spacious entrance hall, which provides access to all principal rooms. The hallway is particularly generous in size and includes two built-in storage cupboards, along with stairs leading down to the integral garage.

The living room is a bright and well proportioned space, positioned to the left-hand side of the property and enjoying far-reaching views towards Mount Helme. A stone fireplace with mantel creates a central focal point, while large windows allow natural light to fill the room, enhancing the space.

Flowing from the living room, a partially separated dining area provides a defined yet connected space ideal for both everyday use and entertaining. Sliding glass doors open directly onto the garden, creating an easy transition between indoor and outdoor living.

The kitchen is well proportioned and fitted with a range of wall and base units set over tiled flooring. It comprises an inset sink with drainer, four-ring gas hob with concealed extractor above, oven and space for a fridge freezer and plumbing for a dishwasher. A rear-facing window overlooks the garden and surrounding greenery.

Leading from the kitchen, the utility room offers additional storage with further wall and base units, an inset sink along with plumbing and space for both a washing machine and dryer. A side door provides direct access out to the garden.

The cloakroom is conveniently positioned off the inner hallway and comprises a WC and pedestal wash hand basin. The family bathroom is well appointed and comprises a large corner bath, separate shower enclosure, WC, pedestal wash hand basin and heated towel rail, finished with tiled walls.

All three bedrooms are well proportioned double rooms, reinforcing the sense of space throughout the property. The principal bedroom is positioned to the front and benefits from built-in wardrobes and a vanity or desk area, while the second bedroom is also a spacious front-facing double. The third bedroom is located to the rear of the property, presenting a flexible space.
