Owners Insight

After a lot of consideration, we have very reluctantly decided to sell our family home. Our cottage has been in our family for over 70 years. We have such lovely memories. Our children have moved on and now it's our time. We have lovingly looked after our family home, and created a great entertaining area with 2 patio areas and a summer house., hosting many happy events and celebrations for family and friends. We have an area for chickens if you fancy the good life.

Cockington is a lovely, quaint, peaceful village which is loved by many. It's situated close to a Country Park, tea rooms and a village pub. It's approximately a mile from the sea.
