The Property

Little Dormers is a detached individual property situated within the heart of Sherston just a moments walk from the High Street and many amenities. Enjoying a sunny southerly aspect at the rear, the property also favours a desirable leafy setting at the front looking out to the playing fields. The accommodation was refurbished in 2024 benefitting from new flooring and updated kitchen and bathroom. There is potential to evolve the property further with planning permission granted in June 2024 (ref: PL/2024/03503) for a rear extension and to convert the attic into a third bedroom.

The accommodation is arranged over two floors extending to around 985 sq.ft. Entered through a front porch, the ground floor comprises a front kitchen connecting to a sitting room with fireplace and a sun-filled garden room at the rear. There is a study located off the entrance hall and a WC. On the

first floor, there are two double bedrooms and the modern fitted bathroom.

The property has the great advantage of a private driveway positioned to the side secured with gates and leads to the garage. The garage has side access in from the garden and power connected. With a desirable southerly aspect, the enclosed garden has been landscaped to lawn and has a good degree of privacy and security.
