Occupying a generous corner plot position...

Situated on a generous corner plot within the sought-after village of Ravensden, this substantial detached family home offers over 2,000 sq ft of versatile accommodation and presents an exciting opportunity for buyers looking to modernise and create a superb long-term home.

Having been previously extended, the property provides spacious and flexible accommodation arranged over two floors, including an impressive living room, separate dining room, modern kitchen/breakfast room, utility area, downstairs WC, and a ground floor bedroom/study with adjacent shower facilities, offering potential for multi-generational living. The kitchen also benefits from direct access to the rear garden.

Upstairs, there are five further bedrooms and family bathroom facilities, with the principal

bedroom benefiting from an en suite shower room, providing ample space for growing families or those working from home. One of the bedrooms is accessed via another, making it suitable as a dressing room, nursery, or flexible adjoining space.

While the property would now benefit from updating, the kitchen is already presented in good condition and provides a practical and functional space for day-to-day living. The property also benefits from a garage, mature surrounding gardens and there is oil-fired central heating.

This is a rare opportunity to acquire a sizeable detached home with significant scope for improvement in an attractive village setting.

The property is within moments' walk of Ravensden's popular Public House and restaurant, The Horse & Jockey. The village has a church, a Primary School and a general store. Good access is available for Bedford's facilities including the mainline service to London St Pancras and also the A421 for A1 & M1 access.
