Beautifully presented throughout and benefiting from a well balanced layout, this is a property that truly caters to the needs of a growing family.

The home is enviably positioned within walking distance of Epsom town centre and mainline railway station, offering regular connections to London Victoria, Waterloo, and London Bridge. It also sits within the catchment area for several highly regarded primary and secondary schools, making it an ideal long term choice for families.

The moment you step inside the spacious entrance hall, the quality and warmth of this home becomes immediately apparent. The ground floor flows effortlessly, filled with natural light and thoughtfully zoned for both family life and entertaining. At the heart of the property is a stunning, hand crafted kitchen/dining/family room, a true hub of the home.

With doors opening out onto a beautifully secluded garden and a large decked terrace complete with feature pond, this space is perfect for hosting, relaxing, or simply enjoying day to day living. A cosy wood-burning stove adds to the atmosphere, especially during the winter months.

To the front of the house, a generous 19ft living room with three sash windows offers a formal yet comfortable space to unwind. There is also a versatile study/home office which doubles as a utility area, as well as a downstairs W.C., completing the ground floor.

Upstairs, the sense of space continues with a large landing that leads to three well-proportioned double bedrooms. The principal bedroom is a standout feature, a peaceful retreat with a Juliette balcony overlooking the garden and surrounding greenery. The inclusion of a freestanding roll-top bath gives the room a boutique hotel feel, while a separate cloakroom adds practicality.

A stylish family shower room completes the first floor, and there is also access to a useful loft space for additional storage.

Externally, the property enjoys a well maintained frontage with a driveway providing off street parking. The rear garden is a real highlight, private, characterful, and designed for low maintenance enjoyment. It features a large decked area, lawn, mature planting, and storage sheds.

Adding further flexibility is a detached garden room, offering the perfect space for a home office, creative studio, gym, or guest area, a valuable asset in today's world.

Located just 0.7 miles from Epsom's vibrant town centre and station, and moments from the picturesque Stamford Green conservation area and Epsom Common, this property combines convenience, charm, and comfort in equal measure.
