A stunning three bedroom semi-detached home, ideally positioned in the popular seaside village of Rustington, offering spacious accommodation, a private garden and excellent everyday convenience. Perfectly suited to family life, the property is within easy reach of the village centre, local amenities, schools and the beautiful Sussex coastline, making this a home that combines practicality with a relaxed coastal lifestyle.

The current vendors have created modern open plan living by knocking through the kitchen into the dining room in 2025, which also has double doors providing access to the rear garden. There is a separate living room and downstairs cloakroom on the ground floor. To the first floor there are three well-proportioned bedrooms and a modern family bathroom.

Outside, the rear garden provides an enjoyable space for relaxing, entertaining and family life, being mainly laid to lawn with a patio area and direct access to the garage. There is also useful off-road parking to the front.

Rustington has long been a favourite for those looking to enjoy village living close to the sea. The centre offers a fantastic mix of independent shops, cafés, restaurants and traditional pubs. The seafront and surrounding countryside provide plenty of opportunities for coastal walks, cycling and enjoying the outdoors.

For commuters, Littlehampton and Angmering railway stations provide regular services, including routes towards London Victoria, while local bus services connect Rustington with surrounding towns and villages. With Brighton approximately 22 miles away and London around 65 miles, this is a superb location for combining coastal living with convenient access to the wider region.

Viewing is strongly advised to appreciate the space, presentation and lifestyle this appealing Rustington home has to offer.
