Williams Harlow Cheam - A large house full of potential. With lots of inherent architectural character, the house is set apart from its peer group by its size and features. Additional benefits include a handsome tree lined road within walking distance of Sutton Town centre and West Sutton train station. Local schools within 1/2 mile include Homefield and Sutton High. Ready to view.

### The Property

2260 sq ft, three floors, five bedrooms, two bathrooms, three reception rooms, kitchen breakfast room, utility room, cloakroom, lots of storage; all packaged within the opportunity. The house requires modernisation but the potential clear. All the bedrooms are doubles (and good sizes at that) with the top floor bedroom seemingly offering multiple uses such as studio etc.

### Outdoor Space

A manicured and pretty rear garden which offers privacy and an exceptionally large frontage ideal for several cars.

### The Area

The Area – The house is located in the sought after St James Road area of Sutton known for its wide tree lined avenues and older architecture, and there are still lots of ornate period houses in sight. The exact location is close enough to the central hub of Sutton to be convenient but just far enough to be peaceful. Sutton town centre is a 5 minute walk away, with its cinemas, shops and bars, and the occupiers will have the choice of two trains stations and several main lines into Central London, with trains to Victoria, London Bridge, Blackfriars and Kings Cross/St Pancras. There are lots of outstanding state and independent schools nearby, for both primary and secondary aged children. Lastly the area is great for wellbeing amenities with fitness centres, parks and sports grounds, as well as local tennis, football and cricket clubs all within 5 minutes walk of the property.

### Why You Should view

A house which has been a family home for many years and one

which will serve faithfully for generations to come. Its unlikely you will find better value within the vicinity and the potential to modernise is a further plus.
