We understand no residential planning has been previously sought on the property.

All subject to consents.

COMMERCIAL USE

The property has been most recently used as offices (2022) and has potential for a wide range of commercial uses subject to consents.

LOCATION

The property is accessible via a pedestrian path from Jacobs Wells Road in an extremely convenient but secluded location set within the open green space of Brandon Hill and the vibrant areas of Clifton, The Triangle, Park street and the Harbourside providing an unrivaled range of amenities on the doorstep. Brandon Hill is the oldest park in Bristol, where you can enjoy great views over the city and Harbourside area. Located just off Park Street in the West End, Brandon Hill features a children's play area, beautiful paths and a nature conservation area, and of course the icon of Bristol's skyline, Cabot Tower built in the 1890s to commemorate the 400th anniversary of the journey of John Cabot from Bristol to land which later became Canada.
