****SHORT WALK to ASHLEY CROSS**.** One of just two **BRAND NEW** family homes situated in a **QUIET LOCATION** at the end of a **PRIVATE DRIVE** within BH14. This contemporary **3 DOUBLE BEDROOM** detached property benefits from open-plan living, private sunny garden, fully-owned solar panels, and a 2-car driveway with an EV charger. **EPC A RATED.**

Location

Situated in an elevated residential area within the BH14 postcode of Poole, Parkstone Heights combines a quiet setting with exceptional connectivity. The property is located within easy reach of Ashley Cross, which hosts a variety of independent cafes, restaurants, and daily amenities.

Transport links are excellent, with Ashley Cross Train Station offering direct mainline services to London Waterloo, alongside regular bus routes to Poole and Bournemouth town centres. The area is well-served by highly regarded local schools. Additionally, Poole Harbour and the beaches of Sandbanks are both situated within a short driving distance.

Constructed by respected local developer Edgewater Homes, finished to a high specification throughout and backed by a 10-year structural warranty. This attractive home is situated in a quiet location at the end of a private drive, within the highly desirable BH14 postcode. This pristine, newly built detached house perfectly balances sleek modern style with superb energy efficiency.

The ground floor opens into a practical layout featuring a convenient guest WC and excellent storage throughout. At the heart of the home is a sociable, 30 ft open-plan kitchen and living room, fully equipped with integrated appliances, stone worktops and a breakfast bar with stool seating. From here, French doors open directly to a private rear garden, creating a seamless indoor-outdoor flow for entertaining.

Upstairs, the first floor hosts three well-proportioned double bedrooms and a contemporary family bathroom, with the primary bedroom boasting its own en-suite shower room.

Designed for modern living, this eco-friendly property features fully-owned solar panels and a block-paved front driveway that provides parking for two vehicles with EV charging point. Both the front and the fully enclosed lawned rear garden, which features a large patio area benefit from side access, exterior lighting, an outdoor tap, and wooden fencing.
