Property Description

Situated within the sought-after Brentford Dock development, this spacious two-bedroom apartment offers excellent potential for buyers looking to create a home in a prime riverside setting. While some updating is required, the property boasts generous proportions and a well-planned layout.

The bright reception room opens directly onto a private balcony, offering tranquil views over the water and landscaped grounds—an ideal space for outdoor relaxation. Behind the reception lies a large kitchen with ample worktop space, providing scope for modernisation.

Both bedrooms are comfortable doubles, each overlooking the beautifully maintained, plant-filled courtyard, ensuring a quiet and attractive outlook. A full family bathroom completes the accommodation.

Brentford Dock is a secure, gated development with landscaped gardens and direct riverside walks along the Thames. The area is undergoing exciting regeneration through the Brentford Project, introducing new shops, restaurants, and a cinema, alongside established local amenities.

Transport connections are excellent. Brentford Station offers direct services to London Waterloo in around 30 minutes, while Boston Manor Underground Station (Piccadilly Line) provides easy access to central London and Heathrow. Numerous bus routes also serve the area.

This apartment represents an outstanding opportunity to secure a spacious home with outdoor space and water views in a well-connected riverside location.
