Beech Avenue, Sanderstead, CR2 0NL

Offers Over

£375,000

Set within a truly rare and secluded enclave, this beautifully presented two double bedroom flat occupies one of the most unusual and sought after settings in the area. Surrounded by mature trees, landscaped grass banks and resident-owned private grounds, the property feels entirely sheltered from the main road, creating a peaceful oasis while remaining light, airy and wonderfully tranquil. This distinctive development has long been cherished by its residents and is renowned for flats being held for generations or enjoyed by the same owners for many years, reflecting both its timeless appeal and strong sense of community. All residents own a share of the freehold, which is professionally managed by a highly regarded local agent at an exceptionally modest cost of approximately £2,000 per year, with no ground rent payable; a rare and highly advantageous feature. With modern gas fired central heating and double glazing throughout.

Each flat benefits from its own private garage, and the extensive, well maintained communal grounds are exclusively for residents' use, adding to the sense of space, privacy and prestige.

Internally, the flat offers two generous double bedrooms and accommodation that is notably larger than many modern equivalents, making it ideal for both everyday living and entertaining. The property is presented to an impeccable show flat standard, with contemporary finishes, modern conveniences throughout, and a stylish kitchen and bathroom that are both practical and elegant.

The living space is a particular standout, opening directly via patio door onto the property's own private patio area; a wonderful extension of the home. This thoughtfully planted outdoor space provides room for seating and relaxation, overlooking lush greenery and offering a peaceful, private setting rarely found in apartment living.

The excellent layout and presentation make it a home where one would be genuinely proud to host gatherings, dinner parties or relaxed evenings with friends, combining character, space and modern comfort.

This flat has been a much loved home for the past nine years, enjoyed as a calm retreat from busy life, a place to unwind, recharge and feel connected to nature. The current owners are only moving on to experience house living, making this a rare opportunity for the next owner to enjoy both the home and the setting for many years to come.

Appealing equally to first time buyers, downsizers and those seeking long term security, this property offers an exceptional combination of space, serenity, ownership stability and location; a home that truly stands apart.
