IF YOU LIVED HERE.....

The open plan kitchen and reception room is a brilliant everyday space, stretching to over 24 feet with plenty of room to cook, eat and unwind without everything feeling crowded together. White kitchen cabinetry is paired with dark worktops and integrated appliances, while warm wood flooring continues through the room. At the far end, glazed double doors open directly onto the private balcony, drawing your eye towards the greenery beyond and creating an easy connection between the apartment and the communal gardens.

The bedroom is a generous double, with plenty of room for a large bed and additional furniture. It also opens directly onto the balcony, so you can step outside into the morning air without crossing the apartment. The bathroom has a bath with a shower above and contemporary tiling, while a separate utility cupboard keeps laundry tucked away. Double glazing, underfloor heating and a concierge service all add to the ease of everyday living.

At approximately 529 square feet, the layout feels generous and well balanced, with long rooms and outdoor space that can be enjoyed from both the living area and bedroom. With Highbury Fields quite literally behind the building, weekends could begin with the Saturday morning Parkrun, a game of tennis or a swim at the leisure centre. Later, you could wander along Regent's Canal, settle into a local pub or spend the evening exploring the restaurants and bars of nearby Upper Street.

WHAT ELSE?

- Highbury & Islington Station is moments away, with Victoria line, London Overground and National Rail services providing fast connections across London.

- Highbury Fields is right on your doorstep, with open lawns, tennis courts, a leisure centre and the popular Saturday morning Parkrun creating a real sense of local community.

- Upper Street and the surrounding neighbourhood are packed with independent cafés, restaurants and pubs, including Westerns Laundry, The Drapers Arms and The Hemingford Arms, while Regent's Canal is just a short stroll away for waterside walks.

A WORD FROM THE OWNER.....

"One of the things we have loved most about living here is how peaceful and secure it feels. Despite being so close to the heart of Islington and the excellent transport links, the apartment enjoys a wonderfully quiet position overlooking the landscaped courtyard. The large windows bring in plenty of natural light and offer a calming green outlook throughout the year.

The gated development, concierge service and secure entry have always given us a real sense of safety and peace of mind. We have particularly enjoyed being able to come home to such a tranquil environment after a busy day in London. The combination of a vibrant neighbourhood on the doorstep and a quiet, relaxing home has made this a very special place to live, just minutes from the centre of London."
