DESCRIPTION

Situated in a peaceful position amidst North Devon's gently rolling countryside, this detached timber barn presents a unique opportunity to create a substantial and

stylish rural residence. The property benefits from full planning consent for conversion into an impressive single-storey home of approximately 3,000 sq ft, offering 3/4 bedrooms and generous, light-filled living spaces.

The barn is set within grounds extending to approximately 3 acres, including a 2.5-acre paddock, making it ideal for those seeking a smallholding, equestrian use, or simply the enjoyment of additional space and privacy.

Planning permission was granted by Torridge District Council under application number 1/0528/2024/FUL, dated 9th August 2024, for the conversion of the existing timber-framed barn into a well-appointed and thoughtfully designed dwelling, orientated to take full advantage of its west-facing rural outlook. This exciting project offers the buyer the opportunity to complete the conversion to their own exacting standards, resulting in a high-quality country home in an accessible and unspoilt rural location. Further planning documents and drawings are available via the Torridge District Council planning portal.

The barn will benefit from having a right of way over the driveway to the left, which is owned by the neighbouring "Church Park". The owners of "Church Park" will be responsible for the driveway's maintenance.
